Editor's note

'Network', edited by Fabio Gomes, is a new WN feature. Its purpose is to remind us of the contribution of the arts to our understanding of food, nutrition, health and well-being. Usually it will simply present the art with a caption but without commentary – though we welcome follow-up letters for publication in *Feedback*. For this photographic masterpiece, thanks to Rebecca Kanter of INCAP Guatemala and the Johns Hopkins School of Public Health, Center for Human Nutrition. Please send contributions for this page to wn.network@gmail.com.
